why choose Mkids?

“ at Mkids® we want to give young players the best possible start by providing the right equipment to allow future stars to shine ”

... its all about the **FIT**

At MKids Golf® we are passionate about junior golf. We want to give young players the best possible start by providing the right equipment to allow future stars to shine.

Years of research have resulted in a range of clubs designed with height and swing speed in mind, enabling the smallest starter to the more experienced golfer to play with confidence and reach their full potential.

Stand Bags

MKids Stand Bags are brimming with style and features to make carrying your MKids clubs easier.

Constructed from the latest high denier fabric, to ensure durability, the MKids stand bag focusses on design, function and form.

A dual carry strap spreads the weight evenly across both shoulders, helping to prevent muscle injury and fatigue.

Features include a large clothing pocket, umbrella holder, self activating stand, accessory/glove clip, grab handle, ball pocket and a full length divider top.

4-way full length divider top

MKids Pro is designed to suit the 9-14 years age group. As with the 'Lite' range, it features progressive length, shaft flex, head size/weight, grip thickness, and loft. This combination makes MKids Pro great for the improving player who has more strength and control over their game.

Lamkin® Grips, Grafalloy ProLaunch® shafts, progressively lofted woods and stainless steel 'SGX - Spin Groove System' irons blend together perfectly to create the ultimate and highest spec junior golf club on the market.

Lamkin® Grips
Tour quality grip, exclusively created for MKids in a range of sizes that grow with the length of the clubs. Allows kids to develop a good golfing grip as they help to promote a light pressure grip while providing incredible stability.

Grafalloy ProLaunch® Junior shafts
Exclusive to MKids by Grafalloy to create a high launch angle and trajectory. As such they are the perfect shaft for kids allowing great flight and distance without too much flex and torque, therefore giving far greater consistency.

SGX - Spin Groove System Irons
Featuring a wide sole, large cavity back giving forgiveness on off- centre shots and manufactured from stainless steel.

MKids Coaching

We are passionate about giving youngsters the best possible start in the game by providing not only the best equipment but also the best golf education. We've therefore teamed up with our friends at YMG, world leaders in golf education programmes.

“ In 2015 Matthew Fitzpatrick, won The British Masters, his first title in the pro ranks, taking only nine years from YMG Masters to Masters Champion. The 2013 GB&I Walker Cup team included five players who started their golf with YMG. ”

Start, Learn, Play Compete

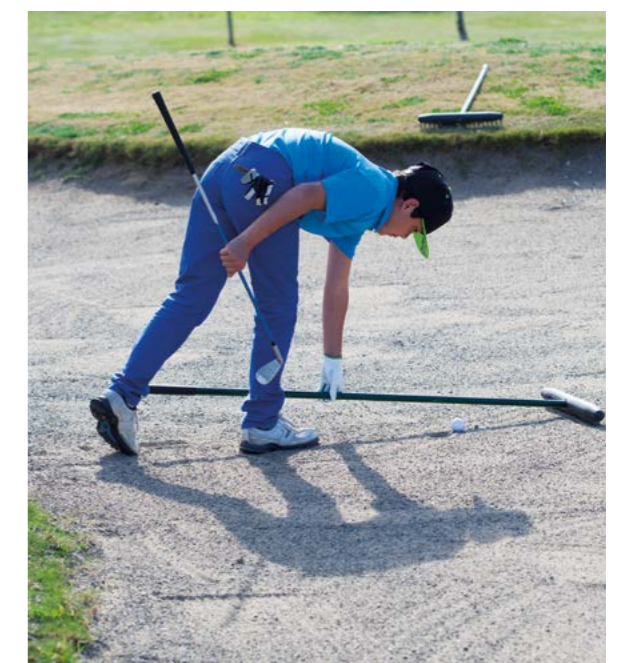

YMG has given hundreds of thousands of youngsters the skills and knowledge to enjoy the game to the max – skills that will last a lifetime

In October 2015 Matthew Fitzpatrick, won The British Masters, his first title in the pro ranks, taking only 9 years from YMG Masters to Masters Champion! The 2013 GB&I Walker Cup team included five players who started their golf with YMG.

The YMG/MKids Coaching Programme provides the most comprehensive golf education available in the world, covering all aspects of the game – how to play, golf etiquette, rules of golf, golf knowledge and peak performance.

There are nine progressive levels of achievement, each including skills challenges and written quizzes, leading to YMG Certification which is recognised by many leading golf clubs and Golf Federations as proof of both knowledge and ability.

YMG/MKids coaching is available from authorised coaches in the UK and in many parts of the world, for more information please go to: www.ymg-golf.com

Retail Solutions

Club holders, measuring charts and devices will make an impact in any retail environment.

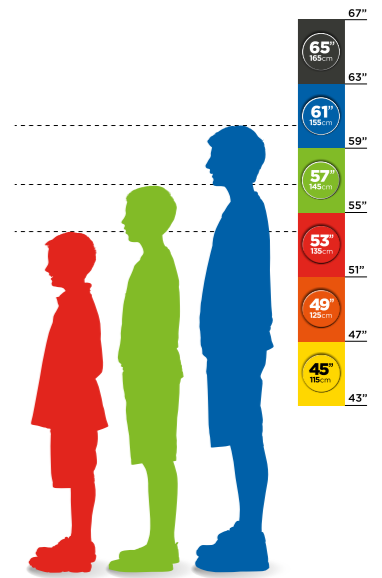

Measuring Stick & Measuring Height Chart

Club Display for slatwall - smoke finish with height indicators

Using the MKids Height Chart
Measure the distance from the ground to the top of the head. The person being measured must wear either golf shoes or trainers - this measurement will correspond to the correct size/colour of MKids clubs. Note that if the measurement falls between sizes then move up to the next colour.
